

Families Welcome!

Young folks love to play around Gold Run (from Deerfield Lake), a shallow creek that runs through Mt. Meadow; There's a grassy area in view of the campground (this area is also great for BVO volleyball net, horseshoes, etc.). We love to see how imaginations blossom climbing in the forest!

So Many Ways To Adventure

Mt Meadow is across the road from Deerfield Lake, just 14 miles northwest of Hill City. Here, you will be far from the beaten path: nestled in Ponderosa Pines on Gold Run
