

# Families Welcome!

Young folks love to play around Gold Run (from Deerfield Lake), a shallow creek that runs through Mt. Meadow; There's a grassy area in view of the campground (this area is also great for BYO volleyball net, horseshoes, etc.). We love to see how imaginations blossom climbing in the forest!

## So Many Ways To Adventure

Mt Meadow is across the road from Deerfield Lake, just 14 miles northwest of Hill City. Here, you will be far from the beaten path: nestled in Ponderosa Pines on Gold Run

## Looking for Outdoor Adventure?

Amidst hundreds of miles of ATV, Snowmobile, hiking, and biking trails, Mt Meadow is located on the US Forest Service Trail System. Camp, Fish, Hunt, Hike, or Ride the Black Hills – all within minutes of our campground.

## Looking to get away from it all?

The quiet of our solidarity allows guests to hear elk bugling & the creek bubbling. Here, you can watch bald eagles soar and see a brilliant number of the stars in the sky. Glide effortlessly over endless terrain on a snowmobile. Hike, take an ATV, snowmobile, or bike and explore deep in the woods.
